

A.R.PRO.M.A. Associazione Revisori, Produttori di Macchine ed Attrezzature Agricole - via Molinasso 18 - 12038 Savigliano (CUNEO) - Tel. +39 0172 712207 - Cod. Fisc. 96031820044 - www.arproma.it - arproma@confartcn.it

COMPANY PROFILE

company data (dati aziendali)

Company Name (Ragione Sociale): BRAVO SRL

Address (Indirizzo): VIA CANAVERE 11

City (Comune): 12038 SAVIGLIANO

Phone: 0172/715014

Fax: 0172/715966

E mail: info@bravosrl.it

Website: www.bravosrl.it

Last Turnover (Ultimo fatturato disponibile): 5.575.000,00

N° of employees (n° di dipendenti): 20 + 3 somministrati

Contact Person - name and position (Persona di riferimento – nome e titolo): Bravo Francesco - titolare

Spoken Languages (Lingue parlate): francese , spagnolo

activity (attività)

Short Description of your Company and **Production** (Breve descrizione dell'azienda e della produzione):

The Bravo srl company produces unifeed self-moving **mixing trucks "Rotomix"**. The exclusive system of mixing in a rotating barrel, preceded by the mill-silage cutter cutting method, is the peculiarity of the machine projected to get the most soft and homogeneous mixture with the fiber cut by "blade". The range varies from 10 to 40 cubic meters, in proportion to the number of cattle within the company / destination client, and boasts the best economy of operation and easier maintenance. Bravo srl also produces a complete line of **straw spreaders "Bicieffe"** for bedding and cubicles with the mechanical system of spilled product, which is considerably reduced the emission of dust compared to the turbines. **Sawdust spreaders** are also produced for cubicles, with the third point of attack for tractors or with quick coupling for telescopic with large load capacities from 2.3 to 3.6 cubic meters.

Bravo srl produces self-moving mixing trucks Rotomix from 10 to 40 square meters with powers that reach 240 hp. The method of mixing with rotating barrel added to his cutting system of silage cutter-mill, unique on the market, allows the perfect homogeneity of the compound of any component introduced. These details make the real difference compared to other methods on the market; in fact, the cutting of the fibers carried out by the blade mill is fast, net, of constant length and completely avoids the 'grinding' and the heating of the masses. The mixing through the rotary barrel against-

screw system, in addition to the proverbial uniformity, avoid any kind of compactness and you go to unloading into the feeder a homogeneous, soft and palatable product. It also produces two lines of straw spreaders suited to bedding and cubicles. The first can use long or chopped straw into round or square bales without turbine but with the aid of a mechanical straw-thrower. The second one can use chopped products as straw, sawdust, wet separate, damp straw with calcium carbonate and lime. The distribution is performed with a turbine that works without admission of air so as to contain the dust emission to widely acceptable levels.

The Bravo srl is an Italian company born in 2001 in the province of Cuneo from the merger of two leading companies in the field of specific machinery manufacturing for livestock, which are present on the market since the 70s and 80s: the "ROTOMIX" has been the first Italian company to build self-moving mixing trucks, the "BICIEFFE" is specialized in straw spreader with straw-thrower without turbine and in distributors of sawdust. These productions are still active in the factories of Bravo srl. The forty years of experience, coupled with the ongoing research and continuous development, has led to the creation of new self-moving mixing trucks of the highest quality ROTOMIX series 4, which can be clearly distinguished from the competition by the uniqueness of the working method: a cutting process using a powerful silage cutter combined with an exclusive additional and adjustable blade cutting mill.

All unifeed's components are then transferred into a rotary drum with against-screw, which allows to obtain with a minimum use of energy, also thanks to the high cutting speeds, the best unifeed on the market today, incomparable under each appearance: softness, uniformity of mixing, bulk and respect of fiber than cut to size. The whole process is intended to greatly improve the performances of the animals, resulting in lower production costs.

Specific sector of activity (settore specifico di utilizzo dei vostri macchinari)

☐ Wine growing (viticoltura)

X Zootechnics (zootecnia)

☐ Agriculture (agricoltura)

☐ Forestry (silvicoltura)

☐ Gardening (giardinaggio)

☐ Other (Altro) Please detail (specificare):

certifications and other information (*certificazioni e altre informazioni*)

Does your company have quality certifications? (L'impresa possiede certificazioni di qualità?)

X YES (SI)

☐ NO (NO)

If yes, please detail (se sì, specificare):

☐ ISO 9001

☐ ISO 14000

X CE Mark (Marchio CE)

X Other (Altro) Please detail (specificare): OHSAS 18001

Does your company have environmental certifications? (L'impresa possiede certificazioni ambientali?)

☐ YES (SI) x NO (NO)

If yes, please detail (se sì, pregasi dettagliare):

Does or did your company participate in co-design activities together with clients? (La vostra impresa partecipa o ha partecipato da attività di co-progettazione con uno o più client?)

☐ YES (SI) X NO (NO)

Does your company invest in R&D? (L'impresa investe in ricerca e sviluppo?)

☐ YES (SI) X NO (NO)

If yes, please give turnover % (se sì, fornire % fatturato):

Did your company register any patents? (L'impresa ha depositato brevetti?)

☐ YES (SI) X NO (NO)

If yes, please detail in which country/ies (se sì, pregasi dettagliare in quale paese/i):

Main competition factors of the company (principali fattori competitivi dell'azienda)

☐ Price (Prezzo)

X Quality (Qualità)

X Technology (Tecnologia)

X Customization (Customizzazione)

X Service (Servizio)

☐ Other (Altro) Please detail (specificare):

Export (esportazioni)

Do you export any products? (La sua Azienda opera già con l'estero?):

X YES (SI) ☐ NO (NO)

If yes, please give Export % of Turnover (Se sì, fornire % Export del fatturato) 10%

Do you already export to (Esportate già in):

X Paesi - specificare :FRANCIA, SPAGNA, PORTOGALLO, GERMANIA

Partners you are looking for (Tipologia di partner commerciali cui siete interessati):

☐ Agents/Brokers/Procurers (Agenti/broker/segnalatori)

X Importers/Distributors (Importatori/Distributori)

☐ Manufacturers (Produttori)

☐ Other (Altro) Please detail (specificare):

Briefly describe the profile of your ideal partner (descrivere brevemente le caratteristiche dei partner ideali per la vostra azienda):

the retailer has to own a net of contacts and to offer the service of assistance to the final client (also possible reparations) in the after sale

Please give any other information you consider useful (Altre informazioni che ritenete utili):

attachments (*allegati*)

x ☐ Electronic Catalogue or Brochure (Catalogo e/o depliant di presentazione dell'azienda **in INGLESE** in formato elettronico)

informazione tecnica

L'azienda dichiara di essere:

associata ad A.R.PRO.M.A. X SI ☐ NO

espositrice alla Fiera della Meccanizzazione Agricola di Savigliano 2018 X SI ☐ NO
